The Ogden Standard thinks the establishment of the beet sugar factory in that city will kill off the few remaining Klondike germs that may be lurking in the atmosphere.

The Lehi people voted for prohibition and Editor Webb of the BANNER hoists a little rooster only three-quarters of an inch high over the announcement of the result. That shows just how enthusiastic he feels about it.

A Spanish Fork girl refused to be led to the altar unless her intended would shave off his fiery red mustaches. The barber is a dime ahead and she is just revelling in new-found bliss, but the fellow is mean enough to let them grow again.

Prof. Siebert, has been analyzing the waters at Beck's Springs near Lehi and says they will cure most anything but hay and hamis.

The elocutionary entertainmen which was to have been given at American Fork failed to come off because of no patronage. Nothing short of a leg show or a new preacher will draw a crowd in that discriminative town.

Saratoga Salvation.

Saratoga Salvation is the intrinsic value of the wonderful warm springs on the Utah Lake. It possesses an actual and unrivalled power to cure many internal and external diseases. You are not trying an experiment but the astringent elements of the natural warm mineral water. It is well proven an outward sickness is the consequence of a bad circulation of matter. Nature gives the right regulator and the power of Saratoga springs water is therefore universally well known. Instead of a bath make use of the astringent elements of the water at home which will give much better results. Saratoga Salvation drives out the germs of sickness, recruits the strength of the nerves and makes the body whole and sound.

How to Cure Bilious Colic.

I suffered for weeks with colic and pains in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured me. Mrs. F. BUTLER, Fairhaven, Conn. Persons who are subject to bilious colic can ward off the attack by taking this remedy as soon as the first symptoms appear. Sold by H. B. Merrihew, druggist.

The three-year-old boy of J. A. Johnson, of Lynn Center, Ill., is subject to attacks of croup. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his little boy's life. He is the drug business, a member of the firm of Johnson Bros. of that place and they handle a great many patent medicines for throat and lung diseases. He had all these to choose from, and skilled physicians ready to respond to his call, but selected this remedy for use in his own family at a time when his own child's life was in danger, because he knew it to be superior to any other, and famous the country over for its cures of croup. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by H. B. Merrihew, druggist.

Hood's Pills

You can't afford to risk your life by allowing a cold to develop into pneumonia or consumption. Instant relief and a certain cure are afforded by One Minute Cough Cure. H. B. Merrihew.

There is no need of little children being tortured by scald head, eczema and skin eruptions. DeWitt's Witch Hazel Salve gives instant relief and cures permanently. H. B. Merrihew.

Chainless bicycles will be the next step in advance in the wheel line. The patents for the bevel gear used are all claimed by one company, and consequently the price so far is exorbitant. But other manufacturers are pooling their interests to test these patents in court, and the probabilities are that the use of a bevel gear will be declared free, and then prices will drop to something like they should be.

WARNING:—Persons who suffer from coughs and colds should heed the warnings of danger and save themselves suffering and fatal results by using One Minute Cough Cure. It is an infallible remedy for coughs, colds, croup and all throat and lung troubles. H. B. Merrihew.

J. M. Thirswent, of Grosbeck, Tex., says that when he has a spell of indigestion, and feels bad and sluggish, he takes two of DeWitt's Little Early Risers at night, and he is all right the next morning. Many thousands of others do the same thing. Do you? H. B. Merrihew.

J. C. Berry, one of the best known citizens of Spencer, Mo., testifies that he cured himself of the worst kind of piles by using a few boxes of DeWitt's Witch Hazel Salve. He has been troubled with piles for over thirty years and has used many kinds of so-called cures; but DeWitt's was the only one that did the work and he will verify this statement if any one wishes to write him. H. B. Merrihew.
